Product Details

Benefits

Designed to fit a 90cm space with a huge 605L capacity
Designed to fit neatly into an Australian 90cm kitchen cavity. Clever engineering allows it to be installed with minimum gaps on the sides meaning maximum storage for all your fresh produce.

Fast ice at the touch of a button
There is nothing more refreshing than freshly crushed ice in your drinks. Now its always available with your fast ice maker. With fast ice production, you'll enjoy cubed or crushed ice from the handy dispenser whenever you need it.

Healthy continuous fresh water
The Westinghouse French Door Fridge with ice and water helps keep your family healthy and hydrated. With easy access to chilled, filtered water from the slimline in-door water dispenser, no one will need to go thirsty again.

Get organised with the FlexFresh™ Crisper.
Not every grocery shop is the same. Sometimes you need extra room for things like celery, while other times you need equal space for your fruit and vegetables. That's where the adjustable crisper divider comes in. Created to provide greater flexibility, it can be adjusted lengthwise to give you the space you need.

Adjustable storage solutions with FlexStor™
As your family changes and grows, so do the requirements of your fridge. With FlexStor™ you enjoy the convenience of being able to easily change the configuration, whatever your needs. Adjust the height and position of the door bins to fit in large and smaller items and arrange your fridge your way.

FlexSpace™, it's size redefined
With a busy lifestyle and a growing family, you can always do with more space in your fridge. That's why Westinghouse created FlexSpace™, which is designed to maximise storage, flexibility and access to meet your ever-changing needs. Big enough to handle even the biggest grocery shop, you'll be able to fit in all your food and drinks with ease.
